Wed 3rd July - 1 Day Coracle Building Workshop @ Greystoke Cycle Cafe

Sat 10th August - 1 Day Coracle Building Workshop @ Greystoke Cycle Café

Sun 11th to Fri 16th August - Open Canoe Building 2 (Family Course)

Sat 24th & Sun 25th August - Paddle Making

Open Canoe Building: come on this 6 day course and leave with your own beautiful wooden open canoe. Max of 4 boats per course so you get plenty of instructor time. Course works really well for two people building a boat together, or for one person. Cost £950.00 per canoe including materials and tuition - no extra charge for two to build one boat.

Coracle Building: two days building this traditional craft with a frame of willow or marine ply lathing and a waterproofed calico covering. This course works well on your own or with a friend, or as a great team building activity. Time permitting we will go for a paddle in the coracles. Cost £250.00 per coracle inc materials and tuition - no extra charge for two to build one boat.

For details and prices for the Cycle Café and Higham Hall courses please see our website.

Canoe & Greenland Style Kayak Paddle Making: two days using a range of traditional and modern hand & power tools to make a beautiful paddle. Cost £175.00 for a single bladed canoe paddle or £185 for a Greenland style kayak paddle. Prices include materials and tuition.

Sea Kayak Building: Build a beautiful Night Heron or Shearwater Sea Kayak. Run in collaboration with Fyne Boat Kits. £800.00 per kayak for tuition, plus the cost of the kit from Fyne Boats.

Bespoke Courses: we are always happy to put on additional dates and tailor courses to suit your requirements, or we can come to you with all the tools and materials needed to run a course at your venue. If you have a particular boat you'd like to build we'd be happy to put on a course for you.

We offer course participants a discount on canoeing, kayaking and coracle paddling instruction.

For more information please see our website or do get in touch by email or telephone.
