Outline Course Details:

Open Canoe Building: a 6 day course making your own beautiful wooden open canoe. Max of 4 boats per course so you get plenty of instructor time. Course works really well for two people building a boat together, or for one person. Cost £950.00 per canoe including materials and tuition - no extra charge for two to build one boat.

Coracle Building: two days building this traditional craft with a frame of willow or marine ply lathing and a waterproofed canvas covering. This course works well on your own or with a friend, or as a great team building

activity. Time permitting we will go for a paddle in the coracles. Cost £250.00 per coracle inc materials and tuition - no extra charge for two to build one boat.

For details and prices for the Cycle Café and Higham Hall courses please see our website.

Canoe & Greenland Style Kayak Paddle Making: two days using a range of traditional and modern hand & power tools to make a beautiful paddle. Cost £175.00 for a single bladed canoe paddle or £185 for a Greenland style kayak paddle. Prices include materials and tuition.

Sea Kayak Building: We are planning to run a sea kayak building course in September 2013, please contact us for more details.

Boat Building Skills: New for 2013 are two skills courses, run over 3 days we aim to equip you with the skills and techniques you will need to build your own boat, using either the stitch and glue or cedar strip construction techniques. Cost £275 per person including instruction and materials.

Bespoke Courses: we are always happy to put on additional dates and tailor courses to suit your requirements, or we can come to you with all the tools and materials needed to run a course at your venue. If you have a particular boat you'd like to build we'd be happy to put on a course for you.

We offer course participants a discount on canoeing, kayaking and coracle paddling instruction.

For more information please see our website or do get in touch by email or telephone.
